

START

Hello and welcome to the registration for the Design Campus Summer School, Class of 2022 - The School of the Untold curated by Formafantasma.

To sign up, CHOOSE ONE workshop and fill out the registration form and send it to designcampus@skd.museum

The registration will continue on a rolling basis, as space allows. However, the earlier the better as each workshop can take a maximum of 15 participants.

We believe in the power of design, transdisciplinarity, cultural diversity and education for all, and encourage participants from all backgrounds to apply. Depending on the workshop capacities available we try to offer financial aid. Find more information with further application steps.

Please note: The duration of a 1-week-workshop is from Sunday afternoon (arrival) to Saturday morning (departure). The total duration of the Summer School will be from July 17th - August 27th, 2022.

For more information about the admission, specific deadlines and the workshop program, please visit www.designcampus.org

If you have any questions, please contact us at designcampus@skd.museum

Please note: fields marked with a * are mandatory and have to be filled out, otherwise the application can not be accepted.
